

IOSH WORKING SAFELY

COURSE CONTENT

AIM

The aim of the course is to raise delegate's awareness of the key health and safety issues encountered in a day-to-day working environment.

Pre-Requisite

No prior knowledge required.

Course Duration

1 day.

Maximum Number

15 persons.

Training Aids

Lecture notes and audio visual presentation.

Assessment

Hazard spotting assessment and a multi choice test.

Certification

For delegates who attend the course and successfully complete the written and practical assessments, there is a choice of accreditation, either an IOSH working safely certificate or an IOSH passport card.

Additional Information

Meeting the needs and expectations of service users is of the highest priority to our staff. Therefore if you have any concerns or wish to make a comment about the service please contact: info@NETA.co.uk
